FROM OUR CUSTOMERS:

"I like these [face shields], they cover so much more, if you have to tilt your head upwards you are still covered..."

"Easy to clean and reuse."

TO USE:

1. Place mask over nose and mouth.
2. Secure upper straps first, followed by lower straps.
3. Adjust as needed.
4. Do not touch inside of mask.

FOR STORAGE & CARE:

1. Mask can be laundered using mild detergent and tumble dry low heat.
2. Do not store in original packaging, a plastic bag or plastic container. Store in a paper bag in a cool dry place.

Note: Heat generated from a laser used in the manufacturing process may cause some discoloring to occur.
